

Nominations for 2008 VTSCA Annual Awards to be presented at the 2008 VTSCA Fall Conference

It is time to nominate one of your colleagues for the **James Cawley Award** or the **New Counselor Award**.

1. **The James Cawley Award** is for those who have been in school counseling for 5 or more years.
2. **The New Counselor Award** is to celebrate new counselors of 1 to 5 years of service.

All of you are great counselors but some have the vision to really perform their work with extraordinary zeal. If you know a counselor who fits this profile, please complete this application and send it to me, Diana Fellows.

If you are the only counselor in your building and you believe that you deserve this award, fill out the application with your information. I am very sensitive to those who are the only counselor in their building so don't be shy.

Both of these awards are meant to honor the counselors who go above and beyond the call of duty on a consistent basis.

Thank you for your help in identifying these counselors.

Please send all nominations to:
